Welcome to the 36th Annual Wellston Rotary Minstrel Show. Our Minstrel is produced and directed by members of our community; non-professionals in the entertainment field, but we as Rotarians do enjoy putting on the show and we hope you appreciate our efforts.

We want to thank the Wellston City Board of Education and the school administration for their hospitality and use of their facilities.

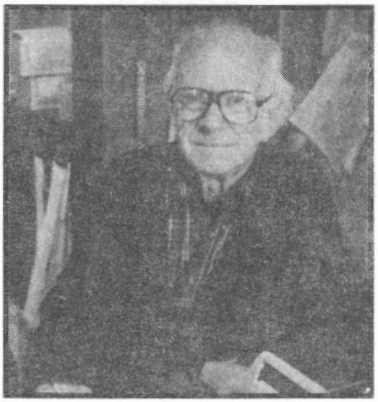
We also want to thank Sally Shumard and her art classes for their help in designing our back-drop for the past two years. We are also indebted to our musical director, Helen Downard, and our back-stage crew for making our show possible.

By patronizing our annual projects and attending our Rotary Minstrel Show and by advertising in our program, you help our club fund its program of Community and Youth service and hopefully begin new ones in the future.

Once again we must thank everyone for their support of this show and hope that it is an enjoyable evening for all.

WELLSTON ROTARY CLUB
PHIL FAIN, PRESIDENT

"Minstrel Man"



It is fitting that the 1989 Rotary Minstrel is dedicated to J. Gordon Morrow. At 84 years of age he is the oldest Wellston Rotarian and also has the most years of membership in the club, joining during the first week of January, 1928.

He will entertain you tonight by singing "My Gal Sal," the first minstrel song he ever performed. The show was sponsored by the American Legion, before the Rotary Club took over the tradition.

He has been a member of every minstrel cast except one which was missed due to illness. But he has not come through his minstrel experiences unblemished. The next time you talk with Gordon, notice the scar he carries over his left eye.

During a show in the 1950's, he was about to enter the high school auditorium as an end man when the door flew open and cracked him in the head. Dr. John Frazer, also a member of the cast, was wearing a dress preparing for a skit, but he packed the bleeding and black-faced Gordon into his car, rushed him to his office and stiched the wound. Gordon later rushed onto the stage in time for his solo, which he performed with his usual gusto.

He is a past president of the Wellston Rotary Club and served several terms as Secretary. He is a Paul Harris Fellow, Rotary's highest honor.

He is active in many area organizations and is possibly the oldest practicing journalist in the State of Ohio, if not in the United States. He is considered to be the authority on local history and was recently honored by being selected as one of two "Men of the Year" for 1989 by the Wellston Area Chamber of Commerce.

One of Rotary's major philosophies is that Rotarians should serve others in greater ways than they serve themselves. Gordon Morrow is living proof that the philosophy can be accomplished in everyday life.

STOP SIGN.

There are many reasons you may think of stopping when you see our sign.

The most obvious, of course, is its color. Red.

But there's a lot more to consider.

Our Home Style Meat Loaf served under a delicately seasoned brown gravy.

Chicken 'N Noodles simmered with fresh garden vegetables.

Country Fried Steak in a hearty country gravy.

We've got a dozen new dinners.

And if the selection doesn't stop you, the price will.

Because seven of those dinners cost less than five dollars.

So drop by after the game.

Where?

Just stop when you see our sign.

YOUNG AT HEART

Fairy tales can come true, it can happen to you
if you're young at heart.
For it's hard, you will find, to be narrow of mind
if you're young at heart.
You can go to extremes with impossible schemse,
You can laugh when your dreams fall apart
at the seams,
And life gets more exciting with each passing day,
And love is either in your heart or on the way.

Don't you know that it's worth every treasure
on earth to be young at heart.
For, as rich as you are, it's much better by far
to be young at heart
And if you should survive to a hundred and five,
Look at all you'll derive out of being alive,
and here's the best part, you have a head start,
If you are among the very young at heart.
